

Again

Written by: Chris & Micaela Avalos

I wrote this song about driving to work each day. My thoughts would sometimes drift off to things of the world.

The song is an expression of getting your thoughts back towards Messiah.

Intro: Bm/F#m/A/Bm 2x

Bm **G** **A** **Bm**
I'm on the road again, lost inside my head you are real, go and find him
Bm **G** **A** **Bm**
I'm on the road again, lost inside my head you are real, go and find him

Chorus:

D **A/Bm** **G** **A** **Bm**
Now I'm faced with reality, Yahshua come and set me free
G **A** **Bm**
lost, and now I'm home again

You're on the road again, found inside your head ; he is real, and rules within
