

## Break Free

Written by Sarah Avalos

### Verse:

**Gm Bb Eb Gm Bb Eb**

I turn around and I can't see, Your careful eyes always watching me

**Gm Bb Eb**

I think to myself, where are You leading me?

**Gm Bb Eb**

I'm lost in infinity...

### Pre-Chorus:

**Cm Bb F Cm Bb F**

So long, so hard, can't You, take these ancient wounds and scars?

### Chorus:

**Bb Eb Gm Bb**  
Break free, from the troubled lies surrounding me, I know, Your perfect mercy glows  
**Eb**  
within my soul

**Bb Eb Gm F Eb**  
I won't give into the accusations and infamy, I know, Your loving arms are my safety...

**Interlude: Gm/Bb/Eb 2x**

### Bridge:

**Cm Bb F Cm Bb**

Could You please take my will, and turn it into thine? Can you strip away the doubts that  
**F Cm**  
cling so dearly...?

**Interlude (play softly): Gm/Bb/Eb 2x**

**Go Back to Chorus then: Gm/Bb/Eb...until end**
