

# Everything

Written By: Hannah Avalos; PFY

## Intro: B/E/G#m/E...

**B** **E** **G#m** **E**  
Once upon a time she stepped out on the edge, And once upon a time it finally came to this  
**B** **E**  
She lost faith she turned away and now she wishes she could change  
**C#m** **E**  
But the one thing that she needs the most is you

### Chorus:

**B** **E**  
Through every pain and every tear, Every shame and every fear  
**G#m** **E**  
He's been there, holding out his waiting arms to her  
**B** **E**  
In every life and every loss, Every time and every thought  
**G#m** **E**  
You're still here, reaching out your helping hands to her  
**C#m** **E** **A**  
And why can't she see? You're everything

### Bridge: A

**E** **B** **F#**  
*She stands here she's waiting... For you to open up your arms but you've been here all along*  
**A** **E** **B**  
*She's winding she's fading but she can't see she's finding the truth*  
**F#** **A/E** **B/F#** **A/E/B/F#**  
*If she would open up to see, You're everything. You're everything*

### Chorus:

**B** **E**  
Through every pain and every tear, Every shame and every fear  
**G#m** **E**  
He's been there, holding out his waiting arms to her  
**B** **E**  
In every life and every loss, Every time and every thought  
**G#m** **E**  
You're still here, reaching out your helping hands to her X2  
**C#m** **E** **C#m** **E**  
And now she can see, And now I can see  
**B/E/G#m/E**  
You're everything... X3
