

Response from Frito-Lay RE: Doritos, Reference #010451583A

Hi XXX,

Thank you for writing to us.

The cheese seasoning in Nacho Cheese Doritos is made with the porcine enzyme.

Have you visited the "Your Health" section at www.fritolay.com?

There you can get information on ingredients, nutrition and sensible snacking,

as well as a list of seasoned snacks made without the porcine enzyme.
