# Livin' The Call – PFY, Rene Meneses

**Bm Em G D A(C#) Bm**
Standing in the doorway, they look hurt, feeling like I've lost everything in the world
**Bm Em G D A(C#) G**
Stuck on a one-way flight to disaster, Living the rearview, hiding from my Master
**D E G A**
Out of the blue, I got a message from you. The man in the mirror didn't wanna be true

**Chorus:**
**Bm D-E G D A(C#) Bm**
I shed my sins down, down by a riverbank. Everlasting life with only Yahweh to thank
**Em G**
Believe me when I say I won't stay down when I fall.
**D A B/Em/G/D/A(C#)/Bm**
New hope will sustain me, I'm livin' out the call

**Bm Em G D A(C#) Bm**
I knelt in the doorway, held up my hands. Would You give me another chance
**Em G D A(C#) G…**
He glanced at my face,tears in His eyes, Child I forgive you, I've given you life

**Chorus**

**Bridge: Bm/Em/G/D/A/Bm**

**Go to chorus**

**Ending: Bm/Em/G/D/A…**
