

Yahshua We Love You - Bethel

Old things have passed away, Your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead, Are breathing in life again
You cause your Son to shine on darkest nights

PRE CHORUS:

For all that you've done we will pour out our love, This will be our anthem song

CHORUS:

Yahshua we love you, Oh how we love you. You are the one our hearts adore

The hopeless have found their hope, The orphans now have a home,
All that was lost has found its place in you
You lift our weary head, You make us strong instead, You took these rags and made us beautiful
